

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

ROBERT KESSLER,

Plaintiff,

v.

QUANG VUONG, et al.,

Defendants.

Cause No. C21-0334RSL

ORDER STRIKING SECOND  
AMENDED COMPLAINT FOR  
DECLARATORY AND  
INJUNCTIVE RELIEF

This matter comes before the Court *sua sponte*. On April 23, 2021, plaintiff filed a second amended complaint in the above-captioned matter. Plaintiff had already amended the pleading as a matter of course, and there is no indication that defendants provided written consent to the second amendment. *See* Fed. R. Civ. P. 15(a). The amended pleading (Dkt. # 13) is therefore STRICKEN and will not be considered.

Dated this 23rd day of April, 2021.

Robert S. Lasnik  
United States District Judge
